

# Navigation Warning

**A new Navigation Warning has been issued by the Port of London Authority**

Title	POTENTIAL HAZARDS TO NAVIGATION
Issued	07/01/2025 15:54PM
Expires	11/01/2025 15:52PM
Description	<p>Mariners are advised that, potential hazards to navigation have been reported to the Port Of London Authority. At approximately 17:30 on the 6th January 2025, 15 wooden timber beams have been observed by CCTV to be covered by the tide and float away from Putney Drawdock. The wooden beams have the following dimensions: 5 metres length, 1 metre width and 150mm thick. The current location of the wooden beams are unknown. Mariners should navigate with additional caution, maintaining a sharp lookout. Any identified position of the described hazards should be reported to London VTS on VHF Channel 14 or 68. Further details may be broadcast by London VTS on VHF Channel 14 and 68.</p>
